SUBJECT Review of Consultant's Wall Foundation Investigation Report
Retaining Wall # 10 & 11

As requested, we have reviewed the Wall Foundation Investigation Report that was written on December 4, 2009 by Willmer Engineering Inc., of Atlanta, Georgia. This report is acceptable for use in design and during construction. Copies of this report should be forwarded to the appropriate DOT offices.

If additional information is needed, please contact Ian Rish of the Geotechnical Engineering Bureau at 404-363-7546.
