Dear Property Owner,

We are requesting your cooperation in our continuing effort to provide a safe and efficient transportation system for the people of Georgia.

Field surveys are scheduled to begin soon in the vicinity of your property for the purpose of gathering the information necessary to design the below reference project. The survey will also include the identification of streams, wetlands and open waters. GDOT has contracted with the Consultant firm listed below to provide professional services for this project.

During the course of our work, it may be necessary for personnel to enter upon your property as provided for by Georgia Law, Code 32-2-2(9) which states: The Department and its authorized agents and employees shall have authority to enter upon any lands in the State for the purpose of making such surveys, soundings, drillings and examinations as the Department may deem necessary or desirable to accomplish the purpose of this title, and such entry shall not be deemed a trespass, nor shall it be deemed an entry which would constitute a taking in a condemnation proceeding, provided that reasonable notice is given the owner or occupant of the property to be entered and that such entry shall be done in a reasonable manner with as little inconvenience as possible to the owner or occupant of the property. Please be assured that this work will be done in a professional manner with as little inconvenience to you as possible.

The identifying information for this project is as follows:

PI#122890, NH000-0003-03(053), SR 10 Loop at Atlanta Highway,  
Clarke County, Georgia

The following contact information should be used regarding any questions you have about the project or the work to be performed.
