DRAWING NO.
28-37

NOTE & IMPORTANT NOTICE:
 This drawing is on incomplete work-in-progress and its use is subject to Note on Drawing No. I-01.
 Note 2a in addition to the qualifications described in Note 1 above regarding any use of this work-in-progress drawing, all information depicted on this drawing reflects a design scheme developed prior to the selection of a definitive design approach for the collection, operation and maintenance of the project corridor. The final design approach selected by Georgia Dept. of Transportation (GDOT) may be significantly different than that depicted on this drawing, and prior to any use of this drawing, the user should verify the design approach ultimately selected by GDOT.
