File Locations and Editing Notes for Interview

Below are the file locations and key details for the interview project:

- **Laura Chase** is the host, and her file is located in the **"Laura Interview"** folder.

- We have two additional guests:

  - **Commissioner Russell McMurry** – His file is located in the **"Commissioner Footage"** folder.

  - **Ramin M.** – His file is located in the **"Ramin Footage"** folder.

- The interview files are labeled with the person's name and **"Interview"** in the file name.

At the end of the interview, we recorded additional messaging from the Commissioner and Ramin:

- **Commissioner's message** – Located in **"Commissioner_Atlanta Hotspots."**

- **Ramin's message** – Located in **"Ramin_ITS World Congress."**

You can incorporate the additional messaging at your discretion. Please feel free to reach out if you have any questions or need clarification.

Timecode Syncing Guide:

Recommended Software: Premiere Pro

1. Click on the top right corner icon that reads "Workspaces" when you hover over it.
2. Click on "Effects"
3. Click on "Video Effects"
4. Click on "Video"
5. Click and hold "Metadata & Timecode"
6. Drag it to all of your video tracks.
7. From there you will be able to sync your tracks and audio.

*We recommend this method for syncing your footage.
